

PartneRep, Inc.

A Professional Manufacturers' Representative Company with offices located in Texas, Oklahoma and Alexandria, LA.

| Manufacturer | Products & Services | Territory Covered |
|--|---|--|
|  <p>www.acousticcleaning.com</p> | <p>ACS can supply or design an acoustic cleaning system to suit your requirements. ACS also offers preventive maintenance programs and on site employee training. With the latest CAD technology ACS can provide design solutions for your applications.</p> | <p>Texas Arkansas Louisiana Oklahoma</p> |
|  <p>www.amertechtower.com</p> | <p>ATS is your single source for cooling towers, cooling tower parts, repair, and maintenance services. They offer competitive prices with expert technicians to oversee the installation, repair, and maintenance of your cooling towers.</p> | <p>Texas Arkansas Louisiana Oklahoma</p> |
|  <p>www.babcockpower.com/bps/</p> | <p>BPS draws on the strengths of the Babcock Power Group to provide extensive services which include but not limited to:</p> <p style="text-align: center;">SCR designs Emissions testing Modeling Structural steel design CAD Stress Analysis Single point project Management Boiler Inspections HRSG Inspections Environmental reduction systems</p> | <p>Texas Arkansas Louisiana Oklahoma</p> |
|  <p>www.babcockpower.com/bta/</p> | <p>Boiler Tube Company of America (BTA) manufactures replacement pressure boiler components and related auxiliary industrial boiler parts for all sizes and styles of boilers, regardless of original OEM. BTA stocks boiler tubes for most applications and fabricates panels, pendants, harps, and spiral finned tubing. Additionally, BTA has a proven 360 degree weld overlay process.</p> | <p>Texas Arkansas Louisiana Oklahoma</p> |
|  <p>www.babcockpower.com/imtec-door/</p> | <p>IMTEC Flexiseal Access Doors are fully engineered solutions that deliver entirely new levels of safety and speed when it comes to gaining access to Heat Recovery Steam Generators (HRSGs), Boilers, Selective Catalytic Reduction (SCR) modules, scrubbers, electrostatic precipitators, baghouses, economizers and similar critical power and environmental equipment.</p> | <p>Texas Arkansas Louisiana Oklahoma</p> |
|  <p>www.clyde-industries.com</p> | <p>The world leader in on-load boiler cleaning equipment. The OEM for the Copes Vulcan boiler cleaning equipment. The maker of SmartClean – intelligent boiler cleaning controls, Water Cannon cleaning systems and Superheater Fouling Monitoring.</p> | <p>Texas Arkansas Louisiana Oklahoma</p> |
|  <p>www.ceram-ibiden.com/</p> | <p>CERAM has developed into a global supplier of plate and honeycomb catalysts for SCR and currently has customers in more than 40 countries. CERAM provides testing and catalyst life management for customers with their own and other OEM catalyst. Their strong engineering background allows them to solve customers' SCR problems.</p> | <p>Texas Arkansas Louisiana Oklahoma</p> |
|  <p>www.detroitstoker.com</p> | <p>Detroit Stoker Company leads the way in unlocking the value of renewable energy sources. Industrial and municipal solid waste can be recycled as renewable fuels which is both cost effective and environmentally friendly. Detroit Stoker can provide products and services for:</p> <p style="text-align: center;">Stokers/grates LoNOx Burners Rotary Feeders Rotary Airlocks Fuel Distribution Material Handling OFA/Secondary Air Grate Drives</p> | <p>Texas Arkansas Louisiana Oklahoma Mississippi</p> |
